To whom it may concern,

Grant & Campbell at Rangehood Solutions have installed Rangehoods for Classic Builders Tauranga since 2006.

Rangehood Solutions then began installing Classic Builders Waikato's Rangehoods in march 2008.

Grant & Campbell have always met our service requirement dates, completing all Rangehood installations in a tidy and efficient manner. Rangehood Solutions has been easy to work with over the last six years and their Rangehood installation service is a complement to every classic Builders kitchen.

Yours sincerely

Matt Lagerberg
Director NZ

*By any measure, to be and to be recognised as,
the best residential building company in New Zealand*
